

Abington Township Business Grant Program

Grant Uses

Uses for grant funds include but are not limited to:

- Awnings
- Benches
- Brick
- Fencing
- Landscaping
- Lighting
- Painting
- Parking Lots
- Sidewalks
- Signs

Any interior building element or business equipment deemed essential to business operations or performance.

Program Conditions

1. The building façade or site improvement must be consistent with the Township’s Architectural Guidelines.
2. Abington Township will review the project request and enter into contract with the applicant.
3. This package applies only to business/commercial use where new part or full-time community job opportunities can be created.
4. Subject to other conditions to be discussed during the application review.
5. Grant payment is made directly to qualified contractor or owner.

Grant Terms

1. Grant amounts can range from a minimum of \$5,000 to a maximum of \$20,000 per site.
2. The grant write-off period is four years of continued employment opportunity.
